# THE JOURNEY

EIGHT POSTULATES TO LIVE BY

By

**Kenneth J. Janssen**

Distinguished author K.J. Janssen explains the premise for writing this book:

With the widespread change taking place in what it means to be religious, more and more people are moving away from ethical guidelines and the disciplines of institutional religion towards a new approach which uses reason and common sense to answer the poignant questions which dogma has failed to answer satisfactorily. At the threshold of a new period for Christianity, we are in a time of spiritual renewal when nothing is exempted from our introspection.

*The Journey* introduces the technique of Reflection, where we are able to touch our Christ Consciousness (the Spirit of God within us) and find the “way” in all matters in our lives.

In *The Journey*, the author leaves no stone unturned in demonstrating the wisdom of adopting a new path that can lead one to The Kingdom of God here on earth.

*The Journey* is as provocative as it is inspirational. It’s a spiritual novel about a new way of thinking. The author presents the case that as long as we’re alive, there is no final reckoning.

## TESTIMONIALS

*A must read for anyone wanting to cast aside the rules and regulations of traditional organized religions for the freedom to seek the keys to the Kingdom of Heaven on earth.* **Nancy Mondel**, Owner and Chief Reviewer at Spiritual Gleanings

**ABOUT THE AUTHOR:** Ken’s religious upbringing was in a traditional Christian home. In college he was exposed to Thomas Paine’s *Age of Reason* and it had a profound effect on his spiritual thinking; freeing him from the shackles of dogma. Since that time, he has nurtured his new found freedom with a healthy dose of “new thought” concepts.
